

A wedding at the Bingham £11,500 fully inclusive

Don't delay tying the knot, the Bingham has created a fabulous wedding experience, for you and your guests.

Start the day with the registrars from Richmond Registry office conducting your civil partnership or ceremony. You would walk into the ceremony room with harpist playing in the background

After the ceremony champagne corks pop, and you and your guests will be served champagne and canapés, on the heated riverside terrace. After your mingling and photo call, our Master of Ceremonies, shall announce your wedding breakfast, three courses of seasonal romantic delights created by acclaimed Executive Chef, Shay Cooper.

More champagne will flow for speeches, before you and your guests can hit the dance floor and party in style to some cool and funky tunes of your choosing. The bar will be open for drinks.

At the end of your day, soak in a petal filled whirlpool bath, before slipping into a handmade bed, and spend your first night together, with our compliments.

All for a mere £11,500

Available in March, April and May 2010

The day is for 70 Guests including the wedding couple and includes:

Menu covers, place cards, table plan
Invitations
Registrar fees
