

## PRIVATE DINING

The garden rooms offer the perfect event venue for any private party or get together. The rooms can be hired individually, or opened into a single space. Each has a high specification of equipment and can be reached via a private entrance with access to their own heated terrace and landscaped garden.

Our food menus complement almost every style of private dining or social occasion, from drinks and canapés, afternoon tea, bowl food, three-course dinner, or a barbecue in the garden when warmer weather permits. We can accommodate 90 guests seated and 150 standing.
