WHATEVER THE WEATHER

We want our guests to enjoy the garden and river views the whole year round. From October until April, we raise the terrace canopy so guests can mingle and meander outside and in, quaffing on a hearty red or a winter Pimm's and working their way through our divine canapé selection.

Our party planning team would love to hear from you. They can provide sample menus, drinks quantities, timings, contacts for entertainment options and let you know what bedrooms are available.

Call them now to check dates and scope out your shindig.
