Bingham's riverside setting is perfect for business or pleasure – connected and secluded, accessible and discreet: A distraction free destination with design led interiors, exceptional service and amazing food.

We know that meetings are important occasions and often reflect on the event planner and the company they represent.

We collaborate with your organisers to integrate all elements of a successful meeting; room space; nourishment; technology and service with an all in one delegate price aimed at minimising the planning overhead, reducing costs and boosting participant productivity.

PRIVATE DINING

The garden rooms offer the perfect event venue for any private party or get together. The rooms can be hired individually, or opened into a single space. Each has a high specification of equipment and can be reached via a private entrance with access to their own heated terrace and landscaped garden.

Our food menus complement almost every style of private dining or social occasion, from drinks and canapés, afternoon tea, bowl food, three-course dinner, or a barbecue in the garden when warmer weather permits. We can accommodate 90 guests seated and 150 standing.
