“We never thought we would find the perfect setting... then we found The Bingham! As soon as we arrived at The Bingham we knew our search was over. The garden rooms are intimate, elegant and sophisticated. The beautiful terrace and garden backing onto the river Thames creates a stunning backdrop, which captures London at its best. Our wedding day was everything we could have wished for and more. The venue looked picture-perfect and the food and drink were impeccable. The Bingham treated our wedding with great care and made us feel like our wedding day was as important to them as it was to us. It is now our favourite place in London.”

“Many of our guests have commented saying it is the best and most stylish Wedding they have ever been to. With exceptional service from the whole team, fantastic river views from the Garden Terrace, delicious food & wine we found this the perfect venue. We could not have wished for more, only to have the day again.”

The Garden Rooms are an idyllic space to celebrate a wedding. The three interconnecting rooms are bathed with natural daylight and offer a neutral decor that can be transformed to your taste. Each room features a high technical specification of sound, mood lighting and climate control.

The Garden Rooms open onto a picturesque terrace with unforgettable river views. In the chillier months, there is a terrace canopy furnished with outside heaters and decorated with fairy lights to protect you and your guests from the elements. The Garden Rooms also has a private entrance from both the river and the road which offers more privacy.

For a completely private event, Bingham Privée allows you exclusive use of the entire Bingham property offering total privacy. This includes use of the Bingham Restaurant, Bar, Garden Rooms, terrace and garden, all 15 bedrooms as well as food and refreshments.
